*Average annual income is based on the monthly amounts reported on Form 1099-MISC for all Business Leaders at that rank. The sum of these monthly averages is the figure reported in the income disclosure statement. For the Low and High averages, the lowest 1/3 and the highest 1/3 of the amounts reported on Form 1099-MISC for all Business Leaders at that rank is averaged and the sum of these monthly averages is the figure reported, or, where sample size is small for a given rank, the Low and High figures are the sum of the absolute low and absolute high amounts reported for each month.
